We constantly seek new relationships with phenomenal women from our community. Any woman who agrees to act in accordance with the purposes and aims of the SacNCBW and has demonstrated evidence of community involvement is eligible for Chapter membership. Membership is by invitation only and an applicant must be sponsored by a member in good standing, as defined by the SacNCBW Bylaws. This link provides a [Membership Overview](#).

You do not have to be a member to participate in SacNCBW-sponsored events. **Complete this form to receive updates on our Annual New Membership intake events. The best way to become a member is to volunteer!**
